

Dear Sir / Madam,

I, James Graeme Strachan Of Glenburnie House, Espalande, Oban, hereby object to the application for an alcohol licence at Ach Na Mara / No. 26 By the Sea.

Having been a resident on the Esplanade for over 50 years, I believe that granting a liquor license at the above property would be detrimental to the area, the neighbouring properties and in the integrity of the area in general.

From decades of experience living in and running a successful guest house in the area, I feel that by far, the majority of our clientele choose to stay in this part of Oban for its peace and quiet.

I greatly appreciate your consideration with this matter.
