3rd June 2020

FAO Mrs Shona Barton
Argyll & Bute Council

Dear Shona,

Further to our email conversation this week, please accept this letter as a formal request for funding for the Twinning Association.

After a very successful visit in July 2019 to Thouars we are now looking forward to welcoming our visitors to Helensburgh in 2021. Given the current global situation the twinning committee propose to use the funds to put towards excursion costs for the visitors in 2021. We are relying on this funding more than ever, as we are currently unable to do our usual fundraising activities in the final year as their visit approaches. We are continuing to attract new and younger families to the group and develop these strong cultural links even further in a Post-Brexit Britain.

Our committee would welcome the support of elected members in maintaining this twinning link and its associated costs.

I would also like to confirm that we have a new Bank Account should we be successful.
Sort Code 80-05-27 Account 10238466

I look forward to hearing from you.

Yours sincerely

Deborah Dennett
Secretary, Helensburgh and District Twinning Assoc.
