Total Objections Received: 91

Total Objections Extant: 81

	Themes:	No. of Objections Received	No. Extant at end of engagement	Comments
1	"oppose the proposed parking permit fee of £90 per annum per permit. In letter dated 14th December 2016, Argyll & Bute Council proposed a £40 cost"	87	87	The cost of permits is primary source of objections, as outlined above this set at council level.
3	"oppose no consideration for residents visitors parking"	1	1	Monitor post implementation
4	"Traffic Issues in Luss are in the main a holiday / seasonal problem and should be treat as such in any XXXX (illegible) with regards to street parking. Imposing a financial penalty on the existing residents in a mainly social housing area is wrong!"	3	3	
5	"Business Parking permits...two permit allocation is totally inadequate for the operation of my (objector's) business"	1	1	Monitor post implementation
6	"Oppose to cost of permit in relation to affordability"	3	3	Note: quoted permit cost for public car park £498 Vs proposed £98 RPZ Permit.
7	"Concern of tradesman access"	1	1	
9	Concern that customers cannot parking near premises (with reduced mobility but no disabled badge)	1	1	Monitor post implementation
10	Object to prohibition driving and associate access and egress	1	1	
11	"As a OAP [redacted for GDPR], I think is a disgrace to charge residents £90 for permit to park at their door. As most residents in Luss are pensioners it very unfair and parking should be free to residents. Only local traffic, delivery and emergency vehicles should be allowed through the village. The speed some care go through at and don't use the one way system. It's an accident to happen."	1	1	
13	"Oppose to cost for permits"	1	1	
14	"Oppose to business having more than one permit"	1	1	
15	"Oppose to residents having a limit of permits"	1	1
