

On-Trade Festive Licensing Hours 2021

As in previous years the licensing board has set the period during which extended hours will be considered as follows:

Festive Hours Period - 17th December 2021 to 2nd January 2022 (into the morning of the 3rd)

There will be a general presumption in favour of extending licensing hours during the above period along the following lines:

- ***Festive Hours Period – 17th December 2021 to 2nd January 2022 (into the morning of the 3rd)***

For those premises with a terminal core hour of 0000 hours, extension to a limit of **0100 hours**

For those premises with a terminal core hour of 0100 hours, extension to a limit of **0200 hours**

For those premises with a terminal core hour of 0200 hours, extension to a limit of **0300 hours**

- ***Festive Holidays (24th 25th 26th December 2021 and 31st December 2021 & 1st January 2022)***

Extension to a limit of **0300 hours** for all on-trade premises

Notes:

Prevailing local late night conditions will still apply, such as the night-time curfew, curtailment of music at a certain time and stewarding.

Children:

- Children will be allowed, under parental supervision to **0100 hours on 31st December/1st January** to welcome the New Year, and only then for family events.
- Normal restrictions relating to children (such as the terminal hour on all other nights covered by this “relaxation”) still apply.

Application Timescale

Please be aware that extended hours applications must be with the Board at least **35 days** prior to the date on which the extended hours event is being held. This timescale is to allow for statutory reports the Board must consider in determining each application.

Covid-19 Vaccine Certification Scheme

Those premises with extended hours licences will be considered ‘Late Night Premises’. Late Night Premises’ are defined in law as premises where –

- *Alcohol is served at any time between midnight and 5am*
- *There is a dancefloor, or other designated space, for dancing by customers, and*
- *Live or recorded music for dancing is played*

Premises that fit all of the above criteria must complete a [Compliance Plan](#) and e-mail it to licensing.standards@argyll-bute.gov.uk and carry out vaccine certification checks of customers wishing to enter the premises. For more information see [Scottish Government Guidance](#) and the [Vaccination Certification Toolkit](#)
