

Management Committee

Date: 16 March 2022

Community Planning National Resources

1.0 Purpose

The purpose of this report is to provide the CPP Management Committee with information on national support for Community Planning.

2.0 Recommendations

- Note national context
- Contact Community Planning Team for more information or to be a member of the Community Planning Officers network.

3.0 Background

National support and resources for Community Planning Partnerships in Scotland are provided by the Improvement Service. Support and resources are influenced by the multi-partner national Community Planning Improvement Board.

Argyll and Bute Community Planning Partnership inputs to the work of the national Community Planning Improvement Board through the Community Planning Officers Network.
