Argyll & Bute Citizens Advice Bureau Community Planning Partnerships Update Spring 2022

Argyll & Bute CAB has continued to service communities across Argyll & Bute throughout the COVID pandemic and is now experiencing a high number of enquiries from clients looking for a range of advice topics. Welfare rights and hosing enquiries constitute a large degree of advisers workload, however debt and in particular energy debt is an increasing theme for a greater percentage of our clients. As a result we have obtained funding to increase our debt support with a part-time energy debt specialist employed to support the workload.

Her Majesty's Court & Tribunals Services have communicated that they will recommence face to face sessions from 4^{th} April and we have started to see an increase in numbers of clients looking for support to avoid evictions as a result also.

Our advisers are reporting a large increase in the numbers of clients reporting complex or multifaceted issues and an increase in mental health issues as a result. We are actively looking at funding opportunities to support vulnerable clients in these situations.

The bureau has begun it's Spring 2022 Adviser training programme and has a target of recruiting 12 volunteer advisers each year – the next intake will be late summer 2022. All our volunteers are continuing to work remotely for the most part with advisers covering the entirely of Argyll & Bute.

We are currently running a consultation exercise with partner organisations in order to review the work of the bureau and would welcome CPP attendee's responses to this https://www.smartsurvey.co.uk/s/ABCABCommunityPartnersSurvey/

The bureau has been carrying out a small piece of research recently into the private rental housing market across Argyll & Bute and hopes to have the report on the impact of this sector on communities available early April for dissemination to partners.
