**Way to Work** was launched on 28<sup>th</sup> January, a national drive to get half a million people who are out of work into jobs in the next five months. Nationally there are over 1 million vacancies to fill, so lots of opportunities, many of which need no prior experience.

Work Coaches are offering increased face-to-face time, tailoring support and improving the work coach's understanding of their customers needs and their suitability for certain roles.

Employer Advisers will be working closely with employers, providing a named point of contact within their local Job Centre and will work with employers to help fill their vacancies. This offer can include actively promoting vacancies to matching customers, pre-screening, offering Jobcentre Plus offices to conduct interviews as well as working with customers and employers to secure Sector-based Work Academy Placements, Work Trials or Work Experience where appropriate.

We are encouraging employers to make use of Job Centre facilities to promote their vacancies, introduce customers to employers. There is also space in each Job Centre for employers to conduct interviews.

We are also hosting Recruitment Events in Job Centres:

Oban has hosted events two date to support employers fill their vacancies which resulted in 9 possible job offers.

Campbeltown hosted an event on 31<sup>st</sup> March to gain some insight into the challenges they face in their recruitment and how we can support employers.

Dunoon Job Centre had a Recruitment Event on 7<sup>th</sup> April and Rothesay Job Centre will host an event on 14<sup>th</sup> April to support employers in those areas.

## **Provision**

DWP purchased provision for 10 customers via DPS to upskill them in customer service roles such as hospitality or retail which ran from 21<sup>st</sup> February to 11<sup>th</sup> March 2022. Through this provision, customers obtained certification in Food Hygiene, Personal Licence Holder, Health & Safety as well as accredited Customer Service Level 2. This provision was delivered remotely to customers across Argyll & Bute. A second 3-week course is due to start on 25<sup>th</sup> April for a further 6 customers.

DWP has also purchased provision a Construction course for 6 customers in the Helensburgh area which is started on 28<sup>th</sup> March and will run for 4 weeks. Through this, customers will have the opportunity to attain a CSCS card, Asbestos Awareness, Traffic Marshall and other certification to improve their prospects of finding work in this sector.

## **Support for energy bills and the cost of living**

This week, the Chancellor announced support to protect households from rising energy bills. Millions of households will receive up to £350 to help with the cost of living, following the rise to the energy price cap. All domestic electricity customers will get £200 off their bills, and 80% of households will receive a £150 Council Tax rebate from April. Factsheets on the support available can be found on [GOV.UK](https://www.gov.uk).

## **Helping parents and carers with their childcare costs**

Thousands of families are using Tax-Free Childcare to pay for childcare and benefiting from the 20% government top-up. But there are thousands more families across the UK missing out on the chance to save money on childcare. The childcare top-up is available as part of the Government's Tax-Free Childcare scheme. Eligible working families can receive up to £500 every three months (or £1,000 if their child is disabled) towards the cost of accredited holiday clubs, before and after-school clubs, childminders and nurseries, and other accredited childcare schemes. Tax-Free Childcare is available for children aged up to 11, or 17 if the child has a disability. And for every £8 deposited into an account, families will receive an additional £2 in government top-up.

Parents and carers can check their eligibility and register for Tax-Free Childcare on [GOV.UK](https://www.gov.uk).

Fast-tracked access to benefits will be extended to a year from six months for people nearing the end of life, under changes due to take effect from 4 April. This means that people who are thought to be in their final year of life will be able to receive vital support through the 'Special Rules' and given fast-tracked access to Universal Credit and Employment and Support Allowance.

Those who are eligible will not be subject to a face-to-face assessment or waiting periods, and in most cases, they will receive the highest rate of benefits. [Read full press release](#)

## **Tax credits customers encouraged to check if they could be better off on Universal Credit**

A new Universal Credit campaign has been launched aimed at tax credit customers. The campaign aims to raise awareness that tax credits are ending in 2024 and that many tax credit customers could be financially better off on Universal Credit.

The campaign signposts to independent benefits calculators to help tax credit customers see if Universal Credit is right for them. It also encourages customers to seek independent advice before they apply. The campaign is being promoted through digital, social and radio advertising. A new webpage on the Universal Credit website for Tax Credit customers contains additional information to help people make the right decision for them.

Go to [Tax credits are ending - Understanding Universal Credit](#) for more details.

Eligibility criteria apply.

Further information about Universal Credit is being provided directly to tax credit customers as part of the tax credit renewals process. As with the campaign, the information signposts claimants to independent benefits calculators and encourages customers to seek independent advice before they apply to Universal Credit.
