

Transport Scotland Update for the Helensburgh and Lomond Area Community Planning Group – 21/04/2022

The following is a list of upcoming works:

- Installation of solar powered bollards at all minor road junctions between Balloch and Tarbet.
- Installation of bend warning signs and chevrons at Inveruglas.
- Resurfacing in the vicinity of Luss, under convoy only, between the 8th and 16th of May.
- For noting, closures of the A82 between Tarbet and Crianlarich for resurfacing are likely later on in May. Formal notification will be received from BEAR Scotland nearer the time.
