LSO COMMENTS: (Eric Dearie)

The premises is situated in its own grounds with no near neighbours and is a multifaceted community hub providing restaurant/bistro facilities; receptions, recorded music and outdoor drinking facilities and campsite. This application is to vary the premises licence to include live performance and dance facilities. The grant of this application would give the premises more flexibility to host events.

In relation to live performance and noise nuisance, this [Street Viewlink](#) allowing 360 degree views shows the premises' remote location on the outskirts of the village of Port Charlotte.
