Scheme Title

Local Authority Area

Argyll and Bute

Will your scheme be delivered or administered jointly with another organisation?

No

Scheme Area Details

Name of Town or City (where the scheme will take place)

Area Location (approximate postcode and datazone ref. numbers)

Does the Scheme Area lie within a recognised heritage area designation?

Conservation Area

Name of conservation area

Date of conservation area designation

Date of the most recent conservation area boundary review, if applicable

Where the area is not a designated conservation area, please give a brief description of the area, its status, and the name used to describe it.

Has a conservation area or area character appraisal been produced?

No

If no, please give date when this will be undertaken.

Has a conservation area or area management plan been produced?

No

If no, please give date when this will be undertaken.

Please tell us why you think the heritage in this area is important, including who values it and why, and why this area has been prioritised for funding over other conservation/heritage areas in the local authority or national park authority area.

Please outline the needs and opportunities your scheme will address within the local area.

Provide a description of your scheme proposal, including the key projects and activities to be delivered.

Approximately when will your area scheme start and finish?

Proposed Development Phase start date (month/year)

Proposed Development Phase end date (month/year)

Proposed Delivery Phase start date (month/year)

Proposed Delivery Phase end date (month/year)

Estimated Costs

How much do you estimate that your scheme is likely to cost overall (for both Development and Delivery Phases)?

What are your estimated costs for the Development Phase?

How much funding will you be requesting from HES for the Development Phase?

How much funding from all other sources (including the local authority) will be contributed to the Development Phase?

What are your estimated costs for the Delivery Phase?

How much funding will you be requesting from HES for the Delivery Phase?

How much funding from all other sources (including the local authority) will be contributed to the Delivery Phase?

Please tell us about anything else, that has not already been covered here, in support of your scheme expression of interest.
