SCHOOLS (CONSULTATION) (SCOTLAND) ACT 2010 – SKIPNESS PRIMARY SCHOOL

2.0 INTRODUCTION

- 2.1 When considering the future of a rural school the Education Authority must meet the preliminary requirements of s.12A the Schools (Consultation) (Scotland) Act 2010 as amended.
- 2.2 The Council is required to prepare and publish a Proposal Paper which clearly sets out the proposal on which the Council is consulting. The Proposal Paper must include details of the proposed date for implementation, the educational benefits statement, a summary of the consultation process and details of the supporting evidence or information used to formulate the proposal.
- 2.3 The 2010 Act also requires that at the close of the consultation process, Education Scotland must consider the educational aspects of the Council's proposal and prepare and submit a report to the Council for consideration by the Council when preparing its final Consultation report.
- 2.4 The Council is then required to prepare and publish its final Consultation Report taking into consideration the report from Education Scotland and all other responses received within the consultation period.
- 2.5 The Consultation Report must explain how the Council has reviewed the proposal, a summary of the points raised during the consultation period and the Council's response to them, details of any alleged inaccuracies or omissions, and, for rural schools, an assessment of rural school factors.

4.0 DETAIL

- 4.1 This report provides details of the outcome and findings of the statutory consultation exercise undertaken in respect of the formal proposal to close Skipness Primary School as detailed in the published Consultation Report (Appendix A); and in accordance with the relevant provisions of the Schools (Consultation) (Scotland) Act 2010 as amended.
- 4.2 In accordance with the Schools (Consultation) (Scotland) Act 2010 as amended, a report was produced by Education Scotland on the educational aspects of the proposal (Appendix B). The Education Scotland Report supports the proposal in that it has clear educational benefits for current and future pupils of Skipness Primary School; the support from stakeholders; lack of viability due to insufficient children within the catchment area; and the delivery of best value. Argyll and Bute Council are committed when taking forward the proposal to work with the Skipness community.
- 4.3 Having considered the report from Education Scotland and all other responses received within the consultation period, officers carried out a further review of the proposal and a Consultation Report was thereafter prepared and published for public scrutiny on the Councils website ([School consultations and proposals \(argyll-bute.gov.uk\)](https://www.argyll-bute.gov.uk) from 4th August 2022. This provided a full three week period prior to a final Committee decision on 25th August 2022, in compliance with Section 9 (3) and Section 11 of the 2010 Act as amended.
