
Argyll and Bute Community Planning Partnership

Oban, Lorn and the Isles Area Community Planning Group

8 February 2023

Community Planning Partnership Management Committee Update

This briefing relates to the meeting of the Community Planning Partnership (CPP) Management Committee which was held on 7th December 2022. The briefing is for noting and relevant discussion.

Summary

The CPP Management Committee met on the 7th December 2022 with the meeting being held virtually. This update provides an overview of the discussion which took place.

Reports which were discussed at the meeting can be found here [Browse meetings - Argyll and Bute Community Planning Partnership - Management Committee - Argyll and Bute Council \(argyll-bute.gov.uk\)](#)

HIGHLIGHTS

Matters Arising from Area Community Planning Groups

- An update was provided on the discussions which had taken place at all 4 Area Community Planning Groups during the November 2022 cycle of meetings. The meetings had been well attended with a variety of interesting presentations given. Of particular interest was the appointment Ryan McIntyre, MSYP to the position of Vice Chair of the OLI Community Planning Group; the update from Stan Phillips regarding actions to take forward to address the climate emergency and the report by The Centre for Economics and Business Research that had been commissioned to better understand the needs of ferry users, island communities, and the economic and social value of Hebridean and Clyde ferry services.
- The Management Committee noted the current situation regarding the status of some Community Councils that have changed following the elections on 20 October 2022 and that Committee Services had been representing the Returning Officer at associated inaugural meetings. It was noted that new Community Councils would be invited to attend their associated Area Community Planning Group.

CROSS CUTTING THEMES

Climate Change

Stan Philips provided a brief update report on the work of the Climate Change Working Group (CCWG). Stan advised that work is currently ongoing to secure funding for a Climate Change Project Manager to take forward the development of a climate change action plan, with £90k of the required £120k secured.

Financial Inclusion and Child Poverty

Mandy Sheridan advised that the 3rd Child Poverty Action Plan review would be published shortly. She noted the production of a one page graphic child friendly version of the plan would be used for engagement, which would link to resources, further help and information.

The Argyll and Bute Data Cost of Living Crisis Group is looking at mapping data factors to a geographic map, cross referenced between 2 date periods, to pinpoint those most in need. Interest has also been submitted in the area becoming part of a pilot project by the Improvement Service to cross reference SEEMIS data with Council Tax Reduction claimants in Scottish Index of Multiple Deprivation zones.

A report produced for the Coalition for Racial Equality and Rights in October, analysed 10 of last year's Local Authority action plans (including Argyll and Bute's). The report made 5 key findings - most lacked any focus on race despite links between ethnicity and poverty and information on current action to address Black, Asian and Minority Ethnic (BAME) child poverty, existing plans focus primarily on gypsy/travellers, Local Authorities acknowledge poverty for BAME families yet this did not lead to actions and issues with lack of data available at a national level are exacerbated at local level.

Community Wealth Building (CWB)

Takki Sulaiman on behalf of the Argyll and Bute TSI advised that the Board have agreed substantial funds for research to cover 3 main strands - drawing together existing strategies, identifying best practice suitable to Argyll and Bute's geography and virtual food hubs . It was agreed that an advisory panel would be established with a full proposal and draft statement for anchor institutions (including what this means) to be considered at the next meeting.

There was some discussion around the merit of this work, specifically that it helps to establish the wellbeing context of the area (the diverse and different needs, not a one size fits all). The importance of funding was also highlighted.

Building Back Better

Kirsty Moyes advised that she would be leading on work regarding the impact of the pandemic and that an engagement exercise would soon begin that would ask participants to discuss themes and make informed choices in their top 3 priorities. Work is also ongoing looking at training needs in communities and reviewing the micro grants scheme that enabled the council to distribute funding to village halls impacted at the height of the pandemic.

Review of ABOIP (including Results of Consultation by MSYPs)

Rona Gold updated the Management Committee on the approach being taken to review the Argyll and Bute Outcome Improvement Plan (ABOIP). Research by the team has identified key priorities within Argyll and Bute (including digital, transport, housing, climate etc.), the consultation survey will ask responders to rank their top 3 priorities from these. The survey will be open until the end of January 2023 and links to the survey and a QR code has been sent to partners. A focus groups will be established during the early part of spring to explore the outcomes of the engagement which will form the priorities over the next 10 years in Argyll and Bute.

Members of the Scottish Youth Parliament (MSYPs) engaged with youth to determine what is important to young people. With around 900 responses received half of young people felt that their area was run down and felt they had no opportunity to have their voices heard. Climate concern and lack of meaningful or appropriate mental health support are also key issues for young people.

Digital Communities

Iain MacInnes advised the R100 project has started successfully making live connections across Argyll and Bute, and this will ramp up significantly over the next few years although there are significant challenges and expense in rolling out a full fibre programme. Iain is in contact with Openreach to engage with roads and planning services to streamline the process and find innovative solutions to mitigate any potential delays or disruption.

Work continues on the Scottish Government 4g programme - there are now 3 of 9 sites live across the area to target 4g "not-spots". This is a £1b project by the Scottish Government, UK Government and the mobile industry (Cornerstone, O2 and EE). Iain met with the shared rural network team recently to find solutions to accelerate the programme to build 11 remote sites in Argyll and Bute, which is to be completed by 2024. Digital hubs have also secured £11k funding from the Island Infrastructure Fund to develop hubs across 4 islands.

Community Justice Partnership Annual Report

Mary Holt spoke to the recently submitted Community Justice Annual Report, adding that Community Justice applies to all involved in or affected by the justice system and the Community Justice Scotland Act 2016. The local model for community justice aims to deliver an extensive change programme centred on increasing prevention of offending/reoffending through improved leadership and collaboration;

evidencing and delivering improved outcomes; learning, development and innovation; and workforce development across multi-agency statutory partners.

A Community Justice Outcome Improvement Plan, due to be published in April 2023, will align with the Argyll and Bute Outcome Improvement Plan and is dependent on the Outcome Performance Framework from the Community Justice National Strategy and the geographic diversity in Argyll and Bute.

Local Transport Strategy and Case for Change

The Management Committee noted that the Highlands and Islands Transport Partnership (HITRANS) are keen to attend a meeting in the New Year to discuss their regional transport strategy (the timeline, what they are doing and what it involves are detailed in the paper).
