

CRUACH MHOR WINDFARM TRUST

Report to Argyll and Bute Council, Bute and Cowal Area Committee 2023

With recovery from the Covid-19 pandemic, there has been an upturn in activity in financial year 2022/23..

As in previous years, the Trust provided support to Village Halls in Glendaruel and Colintraive which facilitate a range of activities for communities, thanks to their respective hard-working Committees. Much appreciated were the subsidised Christmas meal at Colintraive and Burns lunch at Glendaruel.

Support was also given to children in the area, mostly via Kilmodan Primary School and its associated Parent Council.

In February this year, in response to cost of living pressures, the Trust was able to fund a payment of £200 to every permanent household in the area, administered by Colintraive & Glendaruel Development Trust.

The range of grants provided has resulted in a substantial decrease in the Trust's balance over the year. However, with an expected receipt of over £40,000 from Scottish Power Renewables, the Trust can continue to offer generous support to the community of Colintraive and Glendaruel in the year ahead.
