School Service Offer

Dunoon Grammar School & Rothesay Joint Campus

Our careers advisers work delivering career guidance to enable young people from S1-S6 to develop their Career Management Skills via a range of group work and 1-1 coaching conversations. We work closely with our partners within the school to identify young people who are considered most at risk of not making a positive progression from school. Helping those young people to develop their career management skills and move onto education, employment, or training when they leave school. The APM method takes account of all status of 16- to 19-year-olds in Scotland over one calendar year from the 1st of April to the 31st of March.
