

## Community Learning Services LiveArgyll Update

In addition to the continued ongoing Youth work and Adult Learning activities below is a brief update on Youth Work in Helensburgh and contact details for Adult Learning Provision and for further information.

### Youth Work Helensburgh

Summer GIVE Programme has been very successful with inputs from SFRS on Water/Home Safety, LiveArgyll on CPR Skills. The young people also volunteered to help Helensburgh Library, for their participation and volunteering the young people were rewarded with trips to Castle Semple to do kayaking and TeamSport in Clydebank for some go-karting and lasertag.

Friday Night Football is also back and will finish on 11<sup>th</sup> August, even though we have had good numbers in attendance this year we have re-advertised it to try boost numbers for the final weeks.

Once the Schools return after the summer break Youth Work Services will continue to offer Wider Achievement opportunities, accredited learning and Youth Service support to young people.

For further information contact [Thomas.Guy-Conroy@liveargyll.co.uk](mailto:Thomas.Guy-Conroy@liveargyll.co.uk) telephone 01436 658817

### Adult Learning Helensburgh

Adult learning has continued over the summer period and Caroline is currently looking at Adult Learning opportunities and engaging /working with Partners to identify some of the current needs/provision required. For further information and to find out what is happening contact details for Caroline are:
