SCHOOLS (CONSULTATION) (SCOTLAND) ACT 2010 – KILCHRENAN PRIMARY SCHOOL

2.0 INTRODUCTION

- 2.1 When considering the future of a rural school the Education Authority must first satisfy the preliminary requirements as set out in Section 12A of the *Schools (Consultation) (Scotland) Act 2010*, as amended.
- 2.2 On 9 March 2023, Community Services Committee agreed that the Education Service would undertake the preliminary requirements in relation to considering a rural school closure and produce an Options Appraisal for Kilchrenan Primary School. As Kilchrenan Primary School is a rural school, the preliminary requirements stipulate that a possible closure proposal, and all the reasonable alternatives, are assessed, having particular regard to the following:
- a. Their likely educational benefits;
 - b. Their likely effect on the local community – having particular regard to the sustainability of the community and the availability of the school premises to the community;
 - c. The likely effect of any different travelling arrangements on the school's pupils and staff and any other users of the school's facilities, as well as the possible environmental impact.

3.0 RECOMMENDATIONS

- 3.1 It is recommended that the Community Services Committee:
- a. Notes the outcome of this consideration of the preliminary requirements; and;
 - b. Agrees that officers now formulate a draft closure proposal that will be presented to the December 2023 meeting of the Committee for approval by members which, if adopted, would subsequently trigger the formal consultation process under the *Schools (Consultation) (Scotland) Act 2010*.

4.0 DETAIL

- 4.1 This report provides details of an Options Appraisal, carried out in accordance with the preliminary requirements of the *Schools (Consultation) (Scotland) Act 2010*, as amended (the 2010 Act), in respect of Kilchrenan Primary School.
- 4.2 The Options Appraisal for Kilchrenan Primary School is attached as **Appendix A**.

- 4.3 Four possible options have been assessed in considering the future of Kilchrenan Primary School:
- a) Re-open Kilchrenan PS;
 - b) Continue the mothballing of Kilchrenan PS with the pupils zoned to Taynuilt PS;
 - c) Re-open Kilchrenan PS and realign/extend its catchment area;
 - d) Close Kilchrenan PS and realign the catchment area for Taynuilt PS to include the Kilchrenan PS catchment area.

For each option, information was collated and particular regard was given to:

- Community feedback;
 - Pupil numbers;
 - Assessment of rural factors – namely the likely effect on the local community (having particular regard to the sustainability of the community and availability of the school’s premises and its other facilities for use by the community); and the likely effect of any different travelling arrangements that may be required (having particular regard to the effect on pupils, staff and any other users of the school’s facilities, and any environmental impact).
 - Educational benefits; and
 - Financial information
- 4.4 An authority that is contemplating a rural school closure proposal must satisfy the preliminary requirements set out in Section 12A of the 2010 Act prior to formulating any proposal.
- 4.5 Consideration was given to the underlying reasons as to why the future of Kilchrenan Primary School is being reviewed, and all reasonable alternatives to closure of the school as a response to those underlying reasons were identified. All four options (including closure) were then assessed – having particular regard to likely educational benefits, likely effect on the local community and likely effect on travelling arrangements. Following this assessment, closing Kilchrenan Primary School and realigning the catchment area of Taynuilt Primary School to include the current catchment area for Kilchrenan Primary School is considered to be the most reasonable option to address the underlying reasons for the possible proposal.

5.0 CONCLUSION

- 5.1 The Options Appraisal for Kilchrenan Primary School has been prepared in accordance with the preliminary requirements of the 2010 Act.
- 5.2 After consideration of the preliminary requirements, all identified reasonable alternatives and the reasons why the future of the School is being considered, closing Kilchrenan Primary School and redrawing its catchment area to the delineated catchment area of Taynuilt Primary School is considered to be the most reasonable option in order to address the underlying reasons for the possible proposal. Officers are now in a position to formulate a draft proposal that they propose to present at the December 2023 meeting of the Committee for members’ consideration, which, if approved, would subsequently trigger the

formal consultation process under the 2010 Act.
