I refer to your application dated 17th May 2022 for planning permission in respect of the following development:

Use of land for the siting of a glamping pod

AT:

Garden Ground Of Broom Hill Ardconnel Hill Oban Argyll And Bute

Argyll and Bute Council in exercise of their powers under the above mentioned Act and Regulations hereby refuse planning permission for the above development for the **reasons(s) contained in the attached appendix.**

Dated: 18 July 2023

Fergus Murray
Head of Development and Economic Growth

REASONS FOR REFUSAL RELATIVE TO APPLICATION NUMBER: 22/01001/PP

1. The proposed development conflicts with NPF4 Policy 13, and Policies LDP 11 and SG LDP TRAN 4 of the adopted 'Argyll and Bute Local Plan' 2015 and Policy 37 of emerging proposed 'Local Development Plan 2' as the proposed development would result in the intensification in vehicular use of a sub-standard private road with no delineation between pedestrian or vehicular use.

The proposed development constitutes a material intensification of the use of an existing and constrained access regime and would be capable of support only if compliance with various highway safety concerns could be demonstrated through the submission, examination and acceptance of competent detail.

The land necessary for the upgrade of the existing private road, if achievable, does not form part of the planning application site and is not within the acknowledged legal ownership/control of the Applicant.

NOTES TO APPLICANT (1) RELATIVE TO APPLICATION NUMBER 22/01001/PP

1. If the applicant is aggrieved by the decision to refuse permission for or approval required by a condition in respect of the proposed development, or to grant permission or approval subject to conditions, the applicant may require the planning authority to review the case under Section 43A of the Town and Country Planning (Scotland) Act 1997 (as amended) within three months from the date of this notice. A Notice of Review request must be submitted on an official form which can be obtained by contacting The Local Review Body, Committee Services, Argyll and Bute Council, Kilmory, Lochgilphead, PA31 8RT or by email to localreviewprocess@argyll-bute.gov.uk
2. If permission to develop land is refused or granted subject to conditions and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state, and it cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, the owner of the land may serve on the planning authority a purchase notice requiring the purchase of the landowner's interest in the land, in accordance with Part 5 of the Town and Country Planning (Scotland) Act 1997 (as amended).
