Fraud Prevention and Awareness

Our popular and educational Scam Savvy Quiz inputs have continued across the reporting period with particular focus being given to our island communities who are reliant on internet shopping and communication. These inputs have been provided to the residents of Tiree and Coll where officers joined the Living Well Network and hosted a fraud prevention workshop as part of the wider partnership awareness day. These talks continue to be available for any community group or local organisations including community councils.

One of the most common scams we continue to see across Oban, Lorn and the Isles has been around Sextortion. This almost wholly is targeted to young males (under 30 years of age). Sextortion is sexual extortion. It involves the threat of having sexual information, photos or videos shared. This is done to get money from the victim, to control behaviour or to pressure them for further images. Many sextortions start with seemingly harmless flirting on social media or dating sites. Criminals are experts at creating fake profiles that appear genuine. Flirtatious conversations quickly turn sexual and the victim is actively encouraged to remove clothing, perform a sexual act on camera or share explicit images. These images and videos are often recorded without the victim's knowledge and then can be held to ransom. The criminals will often have already accessed your social media contacts and will threaten to share these images with them unless you comply with their demands. As young males are being told their images will be shared with everyone they know, this is having an impact on their mental health with victims often feeling embarrassed and ashamed they are often keeping themselves isolated rather than reporting to Police and reaching out for support. Police Scotland would encourage everyone to share awareness around this either through social media, newsletters or in conversation with young males you know. If any members have ideas or suggestions on how we can help educate young males on the risk involved with this type of offence.

POILEAS ALBA

Sextortion refers to a specific type of cyber-enabled crime in which victims are lured into performing sexual acts in front of their webcam.

Unbeknown to victims, their actions are recorded by criminals who then use the video footage in an attempt to blackmail them. Generally criminals request money

and if demands are not met, these offenders threaten to upload the recording(s) to the internet and send to the victims' friends and family.

VICTIM REASSURANCE

- Don't panic
- Police Scotland will take your case seriously
- We will not make judgements on your behaviour
- The matter will be dealt with in absolute confidence

VICTIM ADVICE

- Do NOT delete any correspondence
- Do NOT pay
- Do NOT communicate further with the offenders
- DEACTIVATE your accounts
- REPORT online indecent images to the host website

OBTAIN THE FOLLOWING INFORMATION AND PASS ON TO THE POLICE

1. The Skype name, and more importantly;
2. The Skype I.D.; Be aware that the scammer's Skype name is different to their Skype ID, and it's the ID details we need. To get that, right click on their profile, select "View Profile" and then look for the name shown in blue rather than the one above it in black. It will be next to the word "Skype:" and will have no spaces in it.
3. The Facebook URL;
4. The Western Union or MoneyGram Money Transfer Control Number (MTCN);
5. Any photos that were sent

Bereavement Support

Local officers meet people affected by bereavement as part of their daily role. Officers are now able to provide family and friends of deceased person with a full support pack which has practice advice and emotional support contacts. Working with Argyll and Bute Registrars, NHS Highland Chaplaincy, Argyll and Bute Citizens Advice Bureau, Change Mental Health and Cruse Bereavement, packs provide those suffering from bereavement with advice they can look at when they are ready to and aims to reduce distress.

Road Safety

Following a fatality on the Argyll road network involving a towing vehicle, a series of Safe Towing videos have been produced and shared via our social media channels. This follows a change in legislation around driving licence requirements for those towing trailers, caravans, boat trailers and horseboxes. Police Scotland worked with a DVSA approved assessor in Campbeltown to produce these videos. These aim to help people understand legal towing limits, hitching, unhitching and safety checks.

A Partnership Approach to Road Safety group is being formed with representation from across West Dunbartonshire and Argyll and Bute. This group will focus on locations of concern and key contributing factors from road traffic collisions where someone has been killed or seriously injured to enable us to prioritise education and enforcement towards key locations or demographics.
