COWAL, BUTE & HELENSBURGH PRIORITIES 2023-2026

The priorities for your area are decided by data from our strategic assessment which details threats and risks, and also from feedback from local authorities, partners, and residents in the [Local Policing Survey](#)

- Serious organised crime
- Crimes of theft and dishonesty
- Road safety and road crime
- Violent crime
- Public protection.

Serious & Organised Crime

Cowal, Bute & Helensburgh benefits from a dedicated Pro-active Serious and Organised Crime Team (SOCT). These specialist officers are supported by dedicated intelligence officers in tackling serious and organised crime in our communities.

The work of the SOCT and the continued upturn in detection rates of those involved in the supply of controlled drugs in our communities, is underpinned by the valuable work undertaken by our Local Policing Teams (LPT), providing the local connection to target drug dealing, developing local intelligence and progress concerns identified by members of the community.

We encourage our communities to share concerns and suspicions around drug dealing either by calling 101 or by reporting anonymously via Crimestoppers 0800 555 111

Acquisitive Crime

Acquisitive crime remains a local priority. Figures across the country are on an upward trajectory, which in part is a result of the cost of living. We are working with our Preventions team looking at maximising our crime prevention opportunities and looking at innovative ways to increase local awareness. We are working with our communities to identify areas of vulnerability where we can engage with our partners to maximise our response.

Common Theft	32.6	32.6	46	+24.3%
Fraud	14.6	24	20	-24%
Housebreaking (Domestic)	7.4	3	5	+66.7%
Theft shoplifting	30	37	28	-24.3%

Road Safety & Road Crime

A local Partnership Approach to Road Safety group has been formed. This group will focus on locations of concern and key contributing factors from road traffic collisions where someone has been killed or seriously injured to enable us to prioritise education and enforcement towards key locations and demographics.

We have continued to maximise our visibility on the trunk roads with our focus on speed detection and driver behaviour being the primary activities. Our festive road safety campaign has ensured that we were prepared for the increase in road users across our communities during the festive period.

The vast majority of local officers are trained in the hand held speed detection equipment and are regularly utilising these tactics across our communities. Most disposals for road traffic crime is by the issuing of fixed penalty notices. These figures are not recorded in this data.

Violent Crime

Violent crime continues to be closely monitored and reviewed with investigations being resourced across Local Policing Teams and the Criminal Investigation Department. Each crime is subject of daily review and scrutiny and thereafter allocated to the most appropriate department to progress to assist in identification of repeat victims, offenders and locations. Any emerging issues and risks are shared and appropriate actions identified

Crime Type	5 Year Average	PYTD	YTD	% Change previous Year

Public Protection

We are upskilling our staff ensuring they are able to deliver a victim centred approach to gender-based violence. We are introducing domestic abuse champions to ensure officers are confident, supported and properly equipped with skills and up to date guidance when dealing with these often serious and complex investigations. Bespoke perpetrator management plans have been introduced to robustly police those offenders posing the greatest risk of harm in a domestic setting. These plans complement our existing safeguarding processes for victims and children at risk of domestic abuse.

Local News

Fraud Prevention

Frauds and scams continue to be a focus as offences are still being reported on a regular basis and we would welcome invites from any community groups or organisations in the Helensburgh and Lomond area after some successful inputs at Grey Matters Active Ageing, Centre 81, Helensburgh and Lomond Carers and Garelochhead Station Trust. Currently, officers are making use of a free call blocker initiative being run by 'Friends Against Scams' who are a National Trading Standards organisation. Any devices requested are being sought through this scheme which means there is no local funding is required at this time. The most updated figures from trueCall who provide these devices is that we now have 262 call blockers installed in Argyll and Bute to protect older and vulnerable people from nuisance and scam phone calls. So far 86,504 calls have been blocked, and trueCall estimate that 141 scams have been prevented. It is estimated that over the 4 year life of these units they will have blocked 207,370 nuisance calls (of which 57,149 will have been scam phone calls), prevented 337 scams, saved vulnerable households £995,357, led to a reduction of £924,550 in NHS, social care & police costs, and an increase in wellbeing & quality of life valued at £1,072,235 - total benefits of £2,992,142. The financial benefits of £1,919,907 are 28 times the project costs of £67,858.

Out and About

Partnership and Prevention officers provided personal safety inputs to Lomond and Argyll Advocacy Service (LAAS) staff as well as information on county lines drug dealing methods and risks. Officers also attended the Welcome Day for Ukrainian resettlers in Helensburgh to ensure barriers were broken down between police and new members of our community and that personal safety advice as well as Scottish legislation was passed over. Retail premises are also being offered free crime prevention security surveys following recent reports of shoplifting. 3 of these crime prevention surveys have taken place in the Helensburgh area.

Divisional Recognition Awards 2023

OFFICIAL: POLICE AND PARTNERS

The Argyll and West Dunbartonshire Divisional Awards 2023 took place in Oban this year to recognise the outstanding work that our officers, staff and partners do in the communities. The awards included Probationer of the Year, Special Recognition, Partnership, Outstanding Bravery, Unsung Hero, Commander's Award, Above and Beyond and Team of the Year. The Partnership Award was presented to Jim Bowles, National Observer for the Institute of Advanced Motorists. Jim acts as a volunteer in his role to promote road safety and was vital in his role during the Helensburgh Road Safety event earlier this year. The runner up for the Partnership Award was Sheena McLean from Argyll and Bute Council. Sheena was nominated for her unmatched knowledge of Anti-Social Behaviour legislation, mediation skills and drive to improve CCTV throughout Argyll and Bute.

16 Days Against Gender Based Violence Campaign

Between 25th November and 10th December, officers supported the 16 Days Against Gender Based Violence Campaign. The theme for 2023 was 'Imagine a Scotland without Gender Based Violence'. During the campaign period Police Scotland as part of the wider Violence Against Women and Girls Partnership in Argyll and Bute heavily promoted support networks for all affected by gender based violence as well as the Disclosure Scheme for Domestic Abuse in Scotland (DSDAS). DSDAS aims to prevent domestic abuse by giving people the right to ask about the background of their partner. It also (anonymously) allows concerned members of the public, such as relatives or friends, the right to ask about someone's partner if they are concerned that person has been abusive in the past. DSDAS enables potential victims to make the choice on whether to remain in a relationship, and working with partners, provide them with support to assist them in their decision. The campaign also involved some local pledges by prominent male roles models in our community showing positive messages about what gender based violence means to them and what they can do to make a positive difference.
