4.0 DETAIL

4.1 This paper presents the Area Performance Report for Financial Quarter 3 2025/26 (October – December 2025) and illustrates the agreed performance measures.

4.2 The features of the Performance Report are as follows: -

- Indicators are grouped by Corporate Outcome.
- The data table for each indicator is colour coded to identify the level of reporting.
  - Area level measures are blue
  - Council level measures are grey
  - COI measures are white

- Each indicator details the
  - Target, Actual and Performance status (Green / Red / No Target) for the current and four previous financial quarters.
  - Commentary for the current financial quarter only.
  - Narrative explaining the performance trend e.g. This indicator is above Target and performance has improved since the last reporting

period.
- Where appropriate a Performance Trend Line has been added.
- The name of the Responsible Officer.
- Where possible performance is presented at both Area and Council level.

4.3 The commentary for each indicator helps 'Tell Our Story' and enables Elected Members to put the performance data into perspective and understand if an issue is local in nature or should be escalated up to a Strategic Committee.

4.4 As part of our improvements to performance reporting and making best use of the digital technology available to us, the information contained in this report is also available in your online scorecard which can be accessed via the Members area on The Hub. If support is required to navigate the online scorecard, please contact lorna.gillies@argyll-bute.gov.uk

4.5 To improve the response to performance queries, it is requested that should there be any queries that either the Responsible Person or Kay Owen are contacted. This should enable some queries being resolved or clarified prior to the Area Committee meeting and therefore being carried forward as Actions at a subsequent meeting

5.0 CONCLUSION

5.1 Area Committee are asked to note and consider the performance and supporting commentary as presented.
