Section 1 (b) Background Information
Please give a summary of the history of your organisation, including when it was formed, links to any parent body etc… Mull Progressive Care Centre was opened in 2012 and replaced the old Dunaros Hospital and Eventide Care Home. Mull PPC is a multi-disciplinary team building that consists of the Hospital, WHHA self contained flats that offer supported living, GP surgery, outpatients clinics, community team members (nursing, OT and physio) and social work. Mull PCC is shared jointly between NHS Highland, Argyll & Bute Council and West Highland Housing Association. The partnership is known as HSCP (Health and Social Care Partnership) As part of the shared grounds a greenhouse was erected and has been maintained and used by all since the building was opened.

Section 1 (c) Aims and Objective of your Organisation
What are the aims and objectives of your organisation, including its current role in the Community, types of services provided and target client groups? The Mull PCC is a purpose built building to care for the residents of Mull and Iona and provide services from mainland to support residents from having to travel off island. The HSCP's vision is to deliver services that help people in Argyll and Bute to live longer, healthier, happier and independent lives.

2. FUNDING REQUEST

Section 2 (a)	
How much grant are you requesting from the Bequests ?	£2884
Please note that a maximum of £2,884 is available.	

Section 2 (b)
Please explain how the funding will be used: The communial greenhouse that was lost in recent storms, following fund raising from the local community a new PolyCrub has been purchased. The residents of Bowman Court and the hospital enjoy spending time at the greenhouse and we would like to apply for funds for outside seating and planters to enable people to participate and enjoy the greenhouse. It is used regularly as a place for people to sit, potter and grow fruit, veg and plants for the grounds. It was used as a sanctuary for many from the weather and stresses of life. It was a beautiful space that provided invaluable health benefits to the residents and patients. Purchasing the outside furniture will make the greenhouse accessable to all the residents once again. We have obtained a quote to purchase recycled plastic furniture that will be sturdy and weather proof.
