

1. SUMMARY

- 1.1** The CPP Community Engagement Strategy and Action Plan was approved in June 2009. The Action Plan details 4 main outcomes and a number of actions to achieve those outcomes. One of the actions is to gather and record engagement activities of all partners at all levels.
- 1.2** As part of this a pro forma has been developed to begin the process of gathering information about any planned, current or recent consultation
- 1.3** The information will be gathered at a local level and collated to give an overall picture of consultation activity. Information will also be collated at an Argyll and Bute level and made available to all partners.

2. CONSULTATION DIARY

- 2.1** Consultation describes the many ways that we in Argyll and Bute use to help people know about our services and activities, to give them a voice in what we do, and to get involved in community action and decision making. Through our local community planning groups we will
 - keep a diary covering recent, current and future consultation exercises;
 - work closely with community organisations, voluntary groups and forums;
 - encourage individuals, groups and communities to help us plan how we deliver services in local areas and across Argyll and Bute; and
 - work to strengthen local communities by encouraging people to participate.

We encourage all our partners and all our services to consult widely and to work in partnership where appropriate.

2. RECOMMENDATIONS

- 2.1** That the LACPG agrees the proposed format for gathering and sharing information.

- 2.2** That partners use the form to gather information and return any completed forms to their local LACPG contact within the time agreed.
- 2.3** That information be collated and made available to all partners
- 2.4** That 'Consultation Diary Update' be an agenda item at every second LACPG (four monthly)
