		Implementation of the Integrated Childrens Services Plan (ICSP)					

Oban, Lorn the Isles LACPG Area Community Plan

Mental Health Service Redesi	gn Enhanced community mental	Aug-11	CHP	Josephine		This includes the skills and	
	health team in Oban.	Ŭ		Bown		post profile for each Locality	
	The clinical workforce profile for					Community Mental Health	
	the Mental Health Service					team. The existing OLI CPN	
	redesign was agreed by the					nursing team will increase in	
	Project Board on 22nd January					size from around 4 nursing	
	2011.					posts to approx 12 posts,	
						including nursing, OT,	
						cognitive behavioural	
						therapist, primary mental	
						health worker, additional	
						psychology. Eventually the	
						NHS and SW teams will	
						merge to provide integrated	
						service delivery. Before any	
						further planning in-patient bed	
						reductions in A & B Hospital	
						can take place, as agreed	
						during the public consultation,	
						it is necessary to have most or	
						all of the new community team	
						members in place. Work has	
						now commenced to develop a	
						costed bridging plan to allow	
						this to happen. Anticipated	
						target date for developing the	
						CMHTs will be July 2011.
