

Update Report on Environment Thematic CPP Group

Notes from meeting of Thursday 17th November 2011

1. The autumn meeting of the Group viewed an excellent video presentation entitled **“Argyll Voices on Climate Change”**, prepared by members of Lochgilphead Joint Campus. This inspiring short film was part of a Scottish Government sponsored public engagement strategy project, promoted through Young Scot, to investigate Scotland’s development as a low carbon economy and the implications for individuals, communities and business. Despite technical difficulties with the presentation equipment, both representatives of the project, **<Jan – enter names here? I didn’t pick them up them, but perhaps Theresa McL could provide them?>** gave an enthusiastic and well received presentation that generated a large number of questions. The Group commends the video to the Management Committee and recommends viewing via their ‘YouTube’ link at <http://www.youtube.com/watch?v=qlToMCt2l9U>.

A copy of their report was also made available:

2. Proposed thematic content for new Community Plan/Single Outcome Agreement – outcomes and success measures – these remain under review by partners with a view to identifying further measurable outcomes.
3. The Group received update reports on the Zero Waste Plan, Community Recycling Groups and the Japanese Knotweed Demonstration Programme. Further partnership engagement with SEPA is expected on each of these.
