| <b>Reason for grant:</b>   | A contribution towards the purchase of equipment to allow the continuation of broadcasting during periods of loss of power. |   |                                     |
| <b>Do you concur with the organisation in their assessment of need? Please supply a very brief summary</b>   |   |   |                                     |
| During the three day power cut there was limited communication with the residents as to what the emergency arrangements were. This application goes some way to addressing some of the issues that arose although with no power there may also be no radios for the residents to get the broadcast. It would however appear that a number of residents have now purchased battery radios as a contingency plan. I feel that this application is attempting to address the problems that occurred and I therefore support it. |   |   |                                     |
