    - Extend the useful life of an asset.
    - Enhance the operating capability of the asset.
- 3.7 Where funding is being used for revenue expenditure then the expenditure, in addition to contributing to the Corporate Plan and Statement of Intent, must relate to:
- Repair & maintenance of public sector infrastructure
  - A one off contribution to an external body towards the capital cost of a community asset or a contribution to an event.

- A one off contribution towards the cost of an event that has a significant impact on the corporate objectives of the Council.

Payments must not be made to support revenue costs and must not create an ongoing commitment on the Council's revenue budget.
