Dear Madam,

Please find enclosed our return information for the grant awarded in relation to our match v Greenock Morton in July 2012. It was a perfect sunny day, and we couldn't have asked for more in terms of a match to support the opening of the 'Kit and Caboodle' football exhibition earlier that day.

Thankfully, the whole experience returned a profit of £1,194.65, and we are now able to put this sum towards the future renovation of the changing accommodation at Kintyre Park.

Once more, can I thank everyone concerned for making the event the success that it was.

Yours sincerely,

Alex McKinven.
Club President.

Enclosed: Event Statement of costs – including invoices.
