Oban Lorn and the Isles Community Safety Partnership Highlight/ Exception report to Area Community Planning Group

1. SUMMARY

- 1.1 The purpose of this Paper is to advise the Area Community Planning group of the main activities of the Community Safety Partnership which have taken place in the last reporting period.

2. RECOMMENDATIONS

Area Community Planning Group Members:

- 2.1 Note the highlight/exception reports from the Community Safety Partnership.
- 2.2 Consider whether there are any specific areas of work which the ACPG wishes the Area Community Safety Partnership to consider developing further at this time.

3. DETAIL

- 3.1 As has been previously noted, the Community Safety Partnership works to deliver the goal of enhancing Community Safety in each local area, there are noticeable variations in the work streams, due to the priorities and circumstances of the local areas.

The aims of the Partnership is closely linked both to the Single Outcome Agreement and to the various Partner organisations plans for service delivery.

The table below is the highlight and exception report produced from the work of the various partner groups and provides an indication of the types of work undertaken recently. The report is not however an exhaustive listing of the community safety works being undertaken by each group or partner and further detail re most topics can be made be available if requested.

- 3.2 The moves towards Single Police and Fire Services are beginning to be noted and to feature in forum plans.
