

Annex B

Early Years Collaborative – Leadership – Workstream 4

What do we want to change?

- Ensuring clear commitment to Early Years
- Delivery of the aims of the EYC
- Make the shift to preventative spend

How will public services make the change?

- Ministers, elected members and teams champion the change
- SOAs and CPPs prioritise EY
- Legislation supports change (Children's Bill and community empowerment)
- EYTF & Subgroups
- Leadership walkarounds

Who will support change?

- CPP leadership
- Leadership of Maternity Services, GPs, Public Health Nurses, Local Government, Social Work, 3rd Sector, Police
- Parents, Families & Communities

All underpinned by support from:

Addictions Services, Adult Public Health, Criminal Justice, Social Work & Third Sector, Housing

How will we know if change has been made?

- Early years reflected in SOAs and implementation on track
- Collaborative is achieving or making progress towards stated aims
- Shift to preventative spend is demonstrated
