

Quality indicators help schools, education authorities and inspectors to judge what is good and what needs to be improved in the work of the school. You can find these quality indicators in the publication *How good is our school?*¹. Following the inspection of each school, the Scottish Government gathers evaluations of three important quality indicators to keep track of how well all Scottish schools are doing.

Here are the evaluations for St Mun's Primary School.

Improvements in performance	satisfactory
Learners' experiences	good
Meeting learning needs	satisfactory

We also evaluated the following aspects of the work of the school.

The curriculum	weak
Improvement through self-evaluation	weak
