

**MOTION FOR THE HELENSBURGH AND LOMAND
AREA COMMITTEE**

Cove & Kilcreggan bowling club have been negotiating with the Council over repairs to their Council owned clubhouse. They are being asked to save the Council money by taking over responsibility for maintaining the clubhouse themselves. They would be willing to do so, provided the building is put in reasonable order.

The Area Committee calls upon the SPC to ensure that money for leisure buildings improvement and repair is made available from central budget to Cove and Kilcreggan bowling club.
