2013 Results

When the current S5 were entering their P7 year, a composite P7 /S1 class was formed and followed a timetable in the secondary department. This group formed a composite S3/4 class in 2011-2012. Pupils were presented for a mix of Intermediate 1, Intermediate 2 and Standard Grade examinations according to individual progress. In 2012 – 2013, the S4 group consisted of 3 students who studied courses chosen from a menu available to pupils in S4-6. S4 pupils were presented at levels ranging from Intermediate 1 through to Higher.

Some S5 students selected Skills for Work Courses and Work Experience placements which don't feature in our results statistics.
