SOA: Local - report on supplementary workshop discussions

1. Purpose

To document additional information gathered at the SOA: Local workshop, which is not contained within the existing plans but which may be of interest to the Area Community Planning Group.

2. Recommendations

It is recommended that the Area Community Planning Group note the attached information on community delivered activities and opportunities for future development and agree that these be considered at future ACPG meetings when discussing the relevant SOA outcome.

3. Background

The discussions generated at focus groups on the SOA:Local not only focussed on the actions within the existing Delivery Plans of the SOA, and therefore SOA Local, but also where there were gaps and opportunities to address these at an area level. A number of additional community activities were identified at the workshops and these are mapped against the SOA outcome areas they relate to, for partners' information within the attached Appendix.

4. Detail

At the discussions for developing the SOA:Local, participants highlighted a number of matters falling under the categories below. These matters may be of interest to the Area Community Planning Group in its future meetings and discussions on the six SOA outcomes, and any development of action at local level. Actions

may include having a presence at the meeting from a relevant person or organisation in relation to opportunities identified.

Participants raised matters related to:

- Activity currently happening in the area but not recorded in the Single Outcome Agreement, Local.
- Opportunity for further activity at a local level
- Importance / Prioritisation of opportunities for future development

5. Conclusions

The attached information may be used by the Area Community Planning Group to consider future developments or agenda items under the relevant SOA outcome discussions.
