Canal basin at Crinan

Crinan Basin:
The Westerly end of the route.
Views to the islands and Kilmartin Glen.
Industrial heritage
Conservation area and woodland walks.
Busy canal locks, with fishing boats and yachts, hotel and tearoom

Cairnbaan

Cairnbaan:
Located at the canal halfway point the village of Cairnbaan has examples of Iron Age 'cup and ring' marks, and a Bronze Age burial monument, or cairn. At the Cairnbaan Hotel you can refuel and watch the world – and one or two boats – pass by.

Canal basin at Ardrishaig

Ardrishaig Harbour:
The Southern end of the canal interesting Industrial heritage great views to Arran, Cowal and over Loch Fyne.
Local shops, pubs and tearooms, with ample car parking
