Aros Park

**Aros Park** Aros Park is like a fabulous back garden for the town of Tobermory. Trails wander through attractive woodland, lush with ferns, and there's a waterfall to discover, plus a play trail for children to explore. There are picnic tables and public toilets beside the loch.

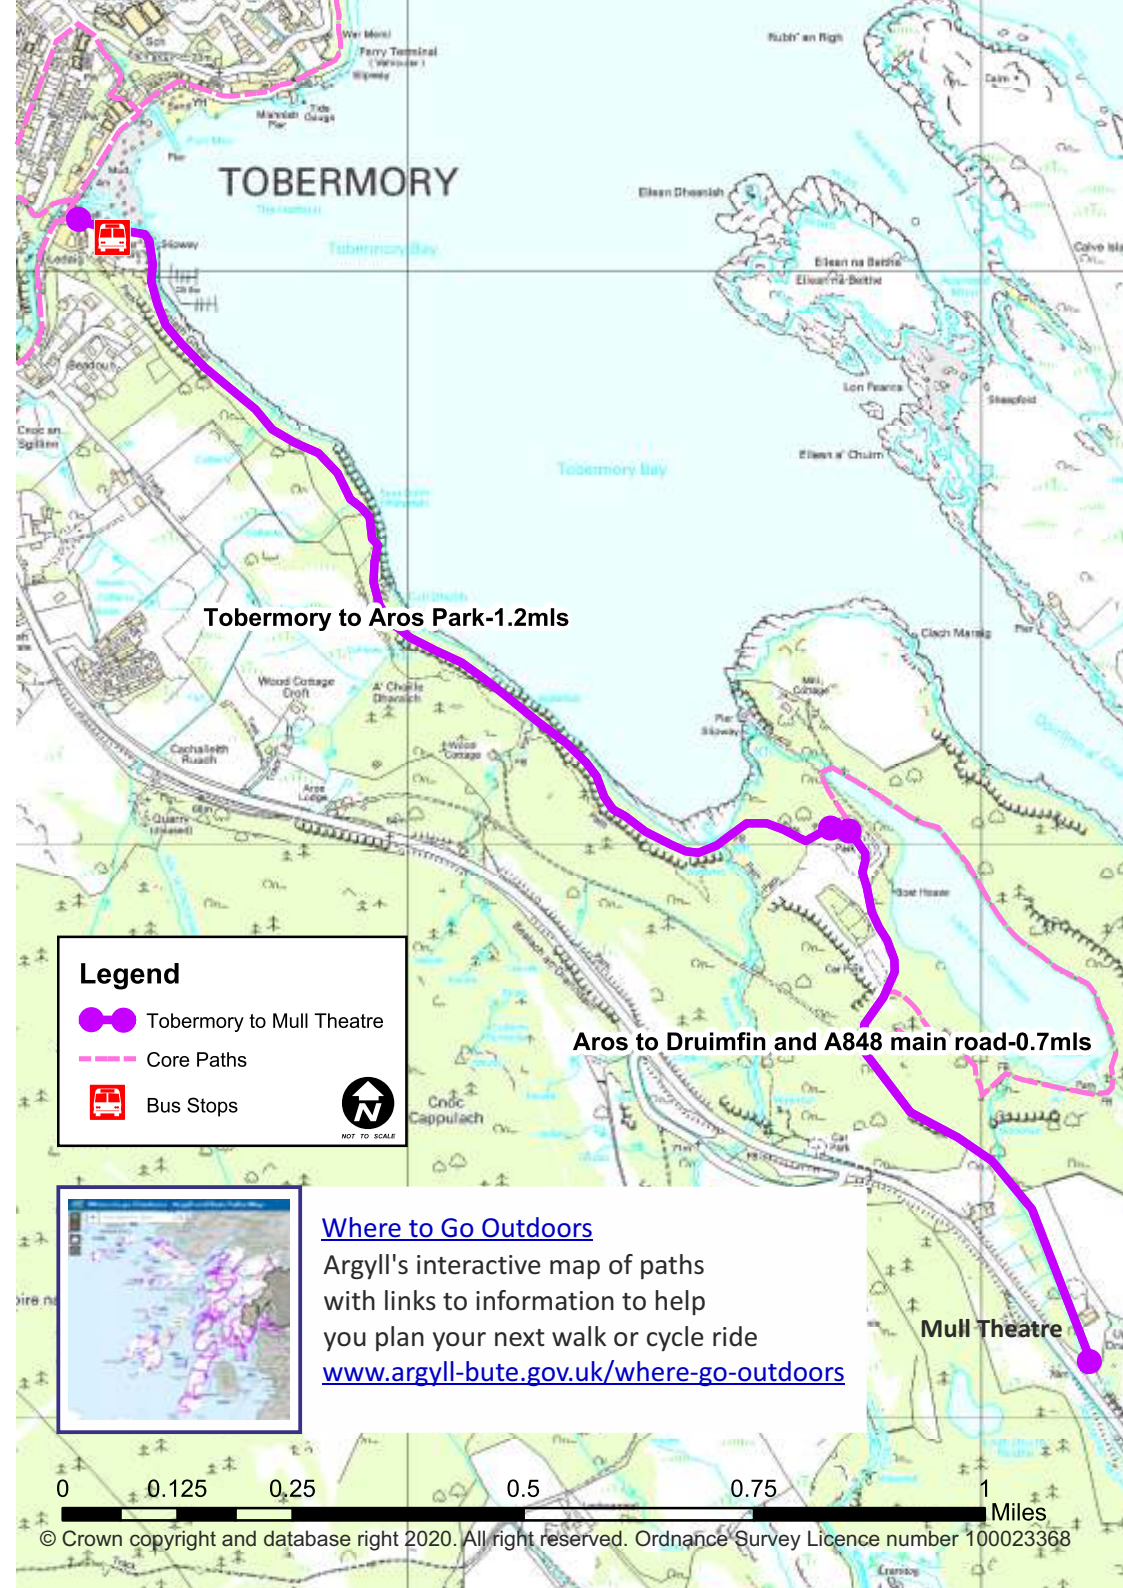

Taigh Solais, marina and visitor centre

The park has superb views too, looking back to Tobermory and over the Sound of Mull to the craggy face of Ardnamurchan. On the edge of the site, there's a spectacular look-out at Alainn View that will lift you high into the tree tops.

The Mull Theatre

**Mull Theatre** The Mull Theatre is based at Druimfin, just outside Tobermory and is one of Scotland's leading touring theatre companies. Their shows can be seen all over Scotland, from the smallest village hall to city theatres.
