---

Dear Sir/Madam,

### **CAMPBELTOWN FLOOD PROTECTION SCHEME**

The purpose of this letter is to keep you updated on the progress of the Campbeltown Flood Protection Scheme.

This is a £15million major engineering scheme which will put measures in place to reduce the impact of flooding on residents and businesses in Campbeltown.

Argyll and Bute Council have appointed DAWSON WAM to deliver this project.

We intend to commence drainage works in your area on Monday 24<sup>th</sup> October 2022. These will include:

- Trial holes to locate existing utilities
- Excavating drainage track on Meadowburn Place and Tomaig Road and installing new drainage and gullies
- Reinstating road temporarily until all drainage is complete
- Resurfacing of Meadowburn Place and Tomaig Road

To make sure these vital works can go ahead safely, temporary traffic management will be installed on Meadowburn Place and Tomaig Road. Access to the properties will not be restricted by the works however there may be some parking restrictions as the work progress along the road.

This work is part of a wider programme that will see new pipelines installed under roads throughout the town to increase the capacity of the drainage system so that it can better cope with heavy rainfall.

Many of these new pipelines will lead into a detention basin situated in The Meadow playing fields.

We are aware the scheme will cause disruption and we apologise in advance, but these works are vital to ensure peoples' properties and businesses are not flooded in the way they have been in the past as a result of an out of date, undersized sewer system which is regularly overwhelmed.

There is a dedicated project web page which Argyll and Bute Council have set up which has background on the project and where you can sign up to regular updates. It is available at the following link: [www.argyll-bute.gov.uk/campbeltown-flood-protection-scheme](http://www.argyll-bute.gov.uk/campbeltown-flood-protection-scheme)

If you have any queries about the works please contact our Site Team at [campbeltown@dawsonwam.co.uk](mailto:campbeltown@dawsonwam.co.uk). Any specific queries about the scheme will be picked up by our dedicated Community Liaison Officer.

Yours faithfully,

Adam McKeown

Contracts Manager

On behalf of DAWSON WAM, working with Argyll and Bute Council.
