Diving Survey of Oban North Pier Pontoon Mooring System

TODAY – 03 August 2023

Mariners are advised that diving inspection work will be carried on the mooring anchors & chains and immediate area of seabed around the North Pier pontoons between the hours of 1200 – 1700 from Thursday 3rd August 2023.

There will be no movement of vessels on the pontoons during this time.

Nature of works

The diving survey is being conducted along the North Pier pontoons breakwater, to an area approximately 25m from the breakwater in all directions.

Restrictions on the use of the North Pier pontoons and Oban Times Slip will be enforced to ensure the survey can take place safely and unhindered. Mariners are requested to proceed with caution at all times in the vicinity of the North Pier and North Pier pontoons and be aware of warning flags and VHF safety broadcasts whilst the work is underway.

Further information can be obtained from the Harbour Master on 01631 562892, VHF ch12.
