Trauma Training

- Scottish Government funded
- Whole Children's services workforce
- Plan to reach 75% of workforce with appropriate training
- Reflects the needs of different groups of staff and the children and families they support

- The 3 key outcomes :

1. Improve awareness,
2. Develop knowledge and skills
3. Change professional and service behaviours

- **Trauma Informed** - half day local workshops for general workforce
- **Trauma Skilled** – 2 days training for Named Persons, support workers, care staff.....
- **Trauma Enhanced** – 3 days - Social Workers, House Managers, CAMHs, Ed Psyc.....
- **Foster and kinship Carers** – training to be confirmed
- **E Learning Modules** - under development
