Skipness Primary School

Dear Consultee,

Review of Education Provision Notice and Summary of Proposal for closing Skipness Primary School Schools Consultation (Scotland) Act 2010

Background

Argyll and Bute Council, through its Education Service, aims to realise ambition, excellence and equity for all.

The Council is consulting on a proposal to close Skipness Primary School. This notice provides a summary of a proposal that you may have an interest in or are required to be notified of, giving you key information about the proposal.

The Council is conducting a public consultation process. This will commence on 19th March 2020 and will conclude on 15th May 2020. This is the period within which you will be able to make written representations to the Council in respect of the proposal. If you wish your view to be taken account of in the consultation exercise you must submit your written representation within this period. This notice and summary provides further information on where a full copy of the proposal may be obtained or referenced and also advises on how you can make written representations to the Council.

The Council will hold a meeting where officers will be able to provide information on the proposal. The details of the public meeting are contained in this notice and summary.

It is important that everyone we are consulting tells us what they think of the proposal. Please read this notice and summary and then consider the contents of the proposal document. You can then tell us what you think of the proposal by making

written representation and/or by attending the public meeting. This notice and summary tell you how to do that.

The Proposal

It is proposed that education provision at Skipness Primary School be discontinued with effect from 28th October 2020. The catchment area of Tarbert Primary School shall be extended to include the current catchment area of Skipness Primary School.

Reasons for this proposal

This is considered to be the best option to address the reasons for the proposals which are;

- Skipness Primary School has been mothballed for over three years. The school condition will deteriorate with limited budgets for maintenance. The school roll is zero and is not predicted to rise in the near future.
- Along with several other rural Councils, Argyll and Bute is facing increasing challenges in recruiting staff. At the time of writing there are 12 fte vacancies for teachers in Argyll and Bute.
- Whilst the school is mothballed, the building is deteriorating with limited budgets for maintenance.

The Council's education strategy Our Children Their Future

Together we will realise ambition, excellence and equality for all.

- Raise educational attainment and achievement for all,
- Use performance information to secure improvement for children and young people,
- Ensure children have the best start in life and are ready to succeed,
- Equip young people to secure and sustain positive destinations and achieve success in life,
- Ensure high quality partnership working and community engagement,
- Strengthen leadership at all levels.

Alternatives to the Proposal

The following alternatives to the proposal were considered at the preliminary pre-consultation stage of this process;

- a) Re-open Skipness Primary School,
- b) Continued Mothballing of Skipness Primary with the pupils zoned to Tarbert Primary School,
- c) Re-open Skipness Primary School and realign its catchment area,
- d) Close Skipness Primary School and realign its catchment area to Tarbert Primary School (the Proposal).

Written representations may be made on those alternatives as well as on the proposal.

Written representations on the proposal may suggest other alternatives to the proposal.

What next?

Whilst the Council is engaging in a consultation process in relation to this proposal that does not mean that the proposal will go ahead. It does mean that the Council is engaging in a consultation process to seek your views on the proposal.

All the points raised during the consultation will be carefully considered and Elected Members will then decide if the plan should go ahead.

If the suggestion goes ahead, any children from Skipness Primary School catchment area would be educated at Tarbert Primary School.
