

Argyll and Bute Council: Equality and Socio-Economic Impact Assessment

Section 1: About the proposal

Title of Proposal

Review of Community Learning (Youth and Adult Learning Provision)

Intended outcome of proposal

Redesign of Service in order to make savings of £330k

Description of proposal

The proposal has been produced at the request of the Transformation Board and contains plans to make a saving from the Community Learning Budget of £330k, which equates to 39% of the core budget (£800k). As part of this exercise a service redesign is necessary to ensure that the remaining structure is fit for purpose.

Approximately 87% of the budget is committed to staffing costs, so any options to achieve this saving will have a direct impact on staffing with an estimated 17.1FTE posts to be removed. Posts which may be affected are as follows:-

- Managers Post
- Youth Work Assistant Posts
- Duke of Edinburgh Development Officer Post
- Youth Participation Officer Post
- CLD Youth Worker Primary
- CLD Youth Worker 16+
- Adult Learning Assistant Posts
- Adult Literacy and Numeracy Posts
- Admin Posts

This will greatly reduce the capacity of the service to respond to the needs of adults and young people across the authority. There would be no dedicated Adult Literacy and Numeracy provision in Argyll and Bute.

There will also be a reduction or removal of operational budgets directly impacting on the following areas :-

- Staff Training/CPD
- Residential Youth Work – capacity building and youth voice activities
- Adult Learning class provision
- Accredited Provision – SQA, Youth Achievement Awards, Dynamic Youth Awards etc.
- Outdoor Technical Advice – DofE and schools
- Memberships – Youth Scotland/Youthlink Scotland/Young Scot
- Playscheme Passes
- Removal of administrative support.

The new service structure would require consultation with users and staff to create a service to meet the needs within the new reduced resource available.

If any 'don't know's have been identified, at what point will impacts on these groups become identifiable?

After consultation is carried out.

How has 'due regard' been given to any negative impacts that have been identified?

The service review presents the best option of providing an efficient service within the resources available.

Section 4: Interdependencies

Is this proposal likely to have any knock-on effects for any other activities carried out by or on behalf of the council?

Yes

Details of knock-on effects identified
