

Lochgilphead Flood Study - Public Consultation Event

Come along to Lochgilphead Community Education Centre to discuss the sustainable solutions that are being developed to help minimise the risk of current and future river and coastal flooding in the village.

Your inputs will help inform the development of a preferred solution for Lochgilphead.

Date:

Thursday 29th August
2019

Location:

Lochgilphead Community
Education Centre (Small
Hall)

Time:

4-8pm - drop in session

Event aims:

To present a range of potential options for managing river and coastal flooding in Lochgilphead and to establish past flood history.

HOW CAN YOU GET INVOLVED?

- If you can't attend on the day, our proposals will be uploaded on the Council's website after the event
- Please feel free to email any feedback or queries to morag.hutton@aecom.com
