Existing chimney stack on north elevation to be removed due to issues with damp and water ingress. New stair in utility room and ensuite arrangement in bedrooms 4 and 5 are proposed, omitting previously proposed new window on north elevation. Most of the existing sash and case windows will require replacement due to significant rot and general poor condition. We are proposing to lower the window cills of the west facing windows in the ground floor drawing room, which are beyond the garden wall and are not read as part of the principal elevation.	29/10/2021	21/04/2022	PER
