

NOTICE TO MARINERS

Harbour/Pier: **CRAIGNURE**

Number: 02/24

Date of issue: 10th April 2024

Ground Investigation Works

Mariners are advised that ground investigation works will be carried out at Craignure Ferry Terminal. The works will involve drilling boreholes to gain ground and groundwater to aid in the foundation design of the proposed jetty, ferry terminal and marshalling yard, terminal building and vehicle access road. This work is being undertaken by Dunelm Geotechnical and Environmental.

The works equipment is due to arrive at Craignure on Sunday 21st April 2024 for a duration of approximately 5 weeks. The work shall be predominantly undertaken offshore using a Jack up self-elevating platform. The Marine work will be operational 24hr a day 7 days a week for the duration of the project.

Anyone requiring further information please contact the Harbour Office, North Pier, Oban 01631 562892.
