Quality indicators help schools, education authorities and inspectors to judge what is good and what needs to be improved in the work of the school. You can find these quality indicators in the publication *How good is our school?*². Following the inspection of each school, the Scottish Government gathers evaluations of three important quality indicators to keep track of how well all Scottish schools are doing.

Here are the evaluations for Kilchrenan Primary School

Learners' experiences	Good
Improvements in performance	Good
Meeting learning needs	Good

We also evaluated the following aspects of the work of the school.

The curriculum	Good
Improvement through self-evaluation	Good
