

Spotlight on Social Enterprise Film Night

Wednesday 2nd November

Social Enterprise – Call for Short Film Entries

As part of Enterprise Week to be hosted in Oban first week in November, we are planning to hold a Spotlight on Social Enterprise Film Night at Oban Phoenix Cinema. This is a call for short film entries for the event and the opportunity to showcase your enterprise to a regional audience and in turn raising profile. In addition selected film entries will be showcased on a dedicated web space to showcase social enterprise in Argyll and Bute.

This is your opportunity to raise the profile of social enterprise in Argyll and Bute and to raise the profile on the range of community benefits delivered by your enterprise. One of the priorities raised through consultation with enterprises is the lack of awareness and understanding of what Social Enterprise is. This is your opportunity to help raise the profile.

Short films should be a maximum of 10 minutes long (ideally 3 – 6 minutes). If you already have a film and would like to submit it, please send a link where we can download it from by email to:

thirdsectorenquiries@argyll-bute.gov.uk

Include your name and your organisations contact details in the email.

If you would be interested in making a short film about your social enterprise, please contact aclark@inspiralba.org.uk
