

# CORONAVIRUS (COVID-19)

## VOLUNTEER TIPS:

### DELIVERIES REQUIRING ACCESS

**Only essential items which cannot be left at the doorstep should be delivered into the home, in very exceptional circumstances e.g. fridge/cooker/frozen meals.**

**Entry into a property should be a last resort.**

Deliveries should be deposited on the doorstep wherever possible.

**Observe social distancing** at all times, between you and any colleagues and between you and house occupants. Ask occupants to stay in a separate room to you at all times.

**Wash or sanitise your hands and wear a face covering before entering a property.**

Only take what you need into the house.

**Call in advance** to inform the recipient of the estimated delivery time, verify details of required access, asking them to ensure the required entrance is clear to minimise contact.

**Avoid touching your face with unwashed hands.**

Use a **paper towel** to place meals into the freezer.

**Dispose of any bags or external packaging carefully.**

**Wipe down** all surfaces or handles you may have touched.

**Place your face covering in a zip-lock bag for disposal/washing and wash/sanitise your hands** thoroughly before moving on to next contact, your vehicle or home.
