

Argyll and Bute Biodiversity Duty Action Plan- Annual Monitoring Report 2020

1. Legal
2. Planning
3. Economic Development
4. Asset Management

5. Information
6. Community Engagement
7. Education

7 Themes.

Outcome 1.

Biodiversity Action to maintain and enhance within a range of developments- this includes good practice within planning, infrastructure, mineral extraction and where appropriate within the Argyll and Bute Council estate.

Outcome 2.

Sustainable management of our biodiversity- for consistency to meet both social and economic needs in terms of usage and enjoyment of Argyll and Bute's natural resources i.e. clean air, potable water, soil, native flora and fauna.

Outcome 3.

Biodiversity contributing to community and economic benefits- education (formal, informal and lifelong learning), social inclusion, contributing to sustainable economic development, health and wellbeing and community cohesion.

Outcome 4.

Conservation management for future proofing biodiversity – this includes environmental activities to manage climate change.

The Themes are linked to the following Outcomes.

Single Outcome Agreement- Long tem outcome
