Notes to Weights & Measures Charges

1. The 2015/16 guidance is based on a chargeable rate of £79.47 per officer per hour, designed to facilitate full cost recovery for metrological activity.
2. For any work not covered by this guidance, or which varies significantly or is carried out in exceptional circumstances, an appropriate charge may be calculated as a surcharge to the hourly rate.
3. When a visit is made by a Trading Standards Officer to any premises for the purpose of carrying out any of the functions or activities listed below, each visit may be subject to a minimum charge of £79.47 per Officer per visit regardless of the nature or amount of work requested or completed. Warning: At present, LACORS has not established the legal position regarding the charging of a minimum fee in the case of cancellation or curtailment of the work to be carried out (i.e. a 'call-out' or cancellation charge). If such a fee is charged, it may be subject to a legal challenge.
4. Visits carried out partly or entirely outside of normal office hours may incur a surcharge of 50% of the standard fee or of the standard hourly rate per Officer per hour.
5. The guidance relates to the cost of testing single items. Inspectors should not be inhibited from departing from the quoted fee in locally determined circumstances. Discounted fees may be appropriate, for example, in the following circumstances:
 - a. Where more than a single item is submitted on one occasion and particularly where large quantities are involved;
 - b. Where facilities, equipment or assistance are provided by the submitter by prior arrangement;
