The Friends are a group of volunteers dedicated to the long term improvement and development of our Park.

In 2011 the Friends initiated an application for Heritage Lottery Funding and in 2014, in partnership with Argyll & Bute Council, we received a First Stage Award to prepare a major project for Second Stage funding to restore this Jewel in Helensburgh's Crown. This was submitted successfully and the award of £2.33M was made in December 2015. We have also been awarded other grants and have a fund of £3.3 million.

The Friends are working in partnership with Argyll and Bute Council on this project. We also organise monthly Action Days with our more active members physically helping in the upkeep of the Park.

The Friends also need to raise £120,000 (in volunteer time) as our contribution to the Second Stage funding bid and to meet the conditions of the Heritage Lottery Fund. We therefore appeal to residents and visitors able to contribute towards this very worthwhile cause.

Joining the Friends provides participating in the future of *YOUR* Park. There is no membership fee, we just need *YOU!* But...a modest donation to our ongoing Hermitage Park Development Fund would be much appreciated.
