3 Gaelic Language (Scotland) Act 2005 and the Issuing of a Notice

3.1 The Act

The Gaelic Language (Scotland) Act 2005 was passed by the Scottish Parliament with a view to securing the status of the Gaelic language as an official language of Scotland commanding equal respect to the English language.

One of the key features of the 2005 Act is the provision enabling Bòrd na Gàidhlig to require a public authority to prepare a Gaelic Language Plan. This provision was designed to ensure that the public sector in Scotland plays its part in creating a sustainable future for Gaelic by raising the status and profile of the language and creating practical opportunities for its use.

This document is Argyll and Bute Council's Gaelic Language Plan prepared within the framework of the Gaelic Language (Scotland) Act 2005. It sets out how we will use Gaelic in the operation of our functions, how we will enable the use of Gaelic when communicating with the public and key partners, and how we will promote and develop Gaelic.

Argyll and Bute Council's Gaelic Language Plan has been prepared in accordance with statutory criteria set out in the 2005 Act, and having regard to the National Gaelic Language Plan and the Guidance on the Development of Gaelic Language Plans.

Argyll and Bute's Gaelic Language Plan will be submitted to Bòrd na Gàidhlig following consultation and by the end of April 2018.

Consultation on a draft Gaelic Language Plan:

The 2005 Act requires public bodies to bring the preparation of its Gaelic Language Plan to the attention of all interested parties. Argyll and Bute Council have consulted publicly on the draft of its Gaelic Language Plan and the plan takes into account representations made during the consultation process.

Summary of Gaelic in Scotland

Argyll and Bute Council recognises that Gaelic is an integral part of Scotland's heritage, national identity and cultural life. Argyll and Bute Council is committed to the objectives set out in the *National Gaelic Language Plan* and has put in place the necessary structures and initiatives to support the objective that Gaelic has a sustainable future in Scotland.

Argyll and Bute Council recognises that the position of Gaelic is fragile and if Gaelic is to be revitalised as a living language in Scotland, a concerted effort on the part of government, the public and private sectors, community organisations and individual speakers is required to:

- enhance the status of Gaelic;
- promote the acquisition and learning of Gaelic;
- encourage the increased use of Gaelic.

4.0 Gaelic in Argyll and Bute

4.1 Historically, Argyll is the heartland of Scots Gaelic. The Gaelic language has been spoken in Argyll since around the 5th century and was the common language in the kingdom of Dal Riata from the time an Irish Gaelic colony established themselves as the first Scots and the kings were anointed at Dunadd Hill. Throughout our history the language has been a key element in developing many aspects of Scottish culture.

4.2 Use and Interest in Gaelic

There are communities in Argyll and Bute where Gaelic is still very much a part of everyday life. On islands such as Tiree and Islay, the Gaelic language is spoken widely in the community and retains local dialects and vocabulary. Interest in learning Gaelic and the known benefits of bilingual education are widely recognised and interest in Gaelic music and culture has increased significantly, resulting in a renewed and growing interest in Gaelic music and cultural events, particularly amongst younger people. There has been an increase in interest in Gaelic Medium Education, which will have a positive impact on future generations of Gaelic speakers and ultimately on census numbers. Gaelic overall, however, has been in decline across Argyll and Bute over the years and the data below illustrate the decline of Gaelic speakers between the census carried out in 2001 and the 2011 census. There are a number of reasons for this, including inward migration of non-Gaelic speakers and older Gaelic speakers declining in numbers.

4.3 Census Data 2011

- 4.3.1 The following data is from the 2011 Census where the people of Scotland were asked 4 questions about the Gaelic language – whether they could understand spoken Gaelic, speak, read or write Gaelic.
- 4.3.2 In Argyll and Bute as in Scotland, more generally, the number of Gaelic speakers fell between 2001 and 2011. The number of Gaelic speakers in Argyll and Bute fell by over 15% in this period.
- 4.3.3 Of people aged 3 and over, almost 6% had some Gaelic language ability in 2011. Of these 4.3% said they could speak, read or write the language.

4.4 Gaelic in Employment

- 4.4.1 Argyll and Bute Council has a number of posts where Gaelic is essential or desirable. The majority of these posts are within the Education service and specifically in our schools. Posts where Gaelic is essential as a skill include Gaelic Childcare and Education Worker, Gaelic Language Auxiliary, Teacher of Gaelic Medium, Principal Teacher of Gaelic Medium, Teacher of Gaelic (secondary schools), Education Officer – Gaelic. Posts for which Gaelic is desirable include Head Teacher of Gaelic Medium, Principal Teachers of Languages in Secondary School and Head Teachers of Secondary Schools. Additionally there are pre-five workers employed in Gaelic Medium pre-five units. Gaelic language classes are offered to the wider staff group to support their understanding of the language and to improve customer service where knowledge of Gaelic can be a benefit.
- 4.4.2 The Council has a Gaelic Centre in Oban called 'Furan'. The Centre has an Administrator who is a fluent Gaelic speaker and the Centre is a Hub for learning the language as part of structured classes for adults, for parents and for children, but also as an informal drop-in Centre for visitors to find out about the language and learn a few words and phrases. The Furan Centre delivers a number of Gaelic sessions which include:
- Bookbug - Approximately 16 families attend weekly.
 - Fealla-dha Furan – A 45 minute family session with songs, rhymes and stories, hosted by Pidheid, the Gaelic-speaking parrot.
 - Leugh Leabhar - Book club aimed at children in Gaelic medium education.
 - Furan Conversation Group – A free and informal group for people of all levels and fluency in Gaelic.
 - Gaelic for Parents – Aimed at parents with children in Gaelic Medium Education to learn different words and phrases suitable for conversation with their children at home.
 - Speaking our Language Group – A mix of relaxed and informal conversation with up to 5 adults, followed by more structured learning using the "Speaking our Language" resources.

There are also other Gaelic sessions delivered out-with the Centre by the Furan Administrator, these include:

- Stramash Outdoor Nursery – Session includes teaching simple words and phrases, singing Gaelic songs and a story. Proves very popular with children attending the nursery.

- Support for schools – Works with the Gaelic teaching staff and pupils in the Gaelic Medium sector and where Gaelic is Language 2 and taught to English Medium pupils from P1.
- Lynn Court Cèilidh – Fortnightly Cèilidh provided to the senior citizens within the care home which proves to be very popular.
- There are also a number of Fèis events throughout the year.

The Centre has been shortlisted for National Gaelic Awards and is growing in success and influence. In particular, following the erection of a sign outside Furan, there has been an increase in the number of visitors to Oban dropping in to find out about the language and to pick up a few words and phrases.

4.5 Gaelic in our Schools

4.5.1 There are currently six primary schools (Bowmore, Rockfield, Salen, Sandbank, Strath of Appin and Tiree) in the local authority which deliver Gaelic Medium Education. The pupil roll in the schools which offer Gaelic medium is shown below and includes the difference in the school rolls since the previous Gaelic Language Plan. This highlights an increase in 27 pupils receiving Gaelic medium education.

Name of School offering Gaelic Medium	Pupil Roll 2013/14	Pupil Roll 2017/18
Bowmore	21	17
Rockfield	40	48
Salen	36	47
Sandbank	38	38
Strath of Appin	4	5
Tiree	22	31

4.5.2 Over 24 of our primary schools currently offer Gaelic for Learners in the Primary School. There are currently 1205 Gaelic learners in schools.

4.5.3 There are currently four secondary schools that offer Gaelic (Learners) and Gàidhlig to Advanced Higher level –Islay High, Oban High, Tobermory High and Tiree High. Dunoon Grammar School has a Gàidhlig (Fluent) Pathway from S1 to S6.

4.5.4 The number of Gaelic Teachers within Argyll and Bute Council is 25. There are 22 appointments for Gaelic Education, most posts are full-time and some are part-time. There are still vacancies to fill in Oban and Islay.

4.5.5 A new Gaelic class at Bunessan Primary School is currently being developed as a result of consultation in response to the Education (Scotland) Act 2016 – Gaelic provisions.

5.0 Internal Gaelic Capacity Audit

Argyll and Bute Council conducted an assessment of existing internal Gaelic capacity as part of the preparation of this Gaelic Language Plan and wider employee engagement. The results of this audit were taken in to consideration when developing commitments in the Plan.

The following results were recorded:

- 13% of respondents to the survey said they can communicate in Gaelic.
- 48% of respondents felt that Gaelic could be increased within Argyll and Bute Council.
- 31% of respondents would like to learn Gaelic or improve their Gaelic.
- 3% are happy with their current level of fluency.
- 21% are interested to learn Gaelic greetings or simple phrases to use with customers
- 12% would like to gain spoken fluency or improve their confidence in conversational Gaelic
- 10% would like to learn or improve reading and writing in Gaelic.

The Provision of language learning classes is available to Council employees and is also being extended to partner organisations. During session 2016/17 there were 49 Council employees learning Gaelic. For session 2017/18 this figure is 16; however it's anticipated that this figure will rise. The class participants are throughout all Council Departments and locations and are delivered remotely using Skype from Islay.

Individual Officers and Elected Members where appropriate have bi-lingual email addresses and business cards. Council meetings are always opened by the Provost in Gaelic.

Argyll and Bute Council's position on all external signage is to replace these bi-lingual.

The Council holds a Gaelic Policy Lead Group quarterly and Gaelic is reported to the Community Services Committee on a regular basis.

The Council uses external providers for their translation services.

6.3 Mainstreaming Gaelic

Argyll and Bute Council recognises that the various priority areas identified in the National Gaelic Language Plan will be primarily implemented through our Gaelic Language Plan but that opportunities will arise to promote and develop the language through existing policy measures. Argyll and Bute Council will seek to identify policy areas where Gaelic can be pro-actively incorporated and the priorities of the National Gaelic Language Plan.

The Action Plan highlights the activities that the Council has already mainstreamed in terms of the use of Gaelic. We see this development as corresponding to the normalisation principle which aims to include Gaelic as an everyday part of life in Scotland.
